

> BOOTHBOX™ 2

The BoothBox™ 2 is a magnetically mounted double compartment cabinet, equipped with two spray gun hangers. Specifically designed for the Automotive and Industrial Paint Industries.

Eliminate unnecessary trips in and out of the spray booth during the painting process by keeping your needed items close at hand and protected from over spray damage. The BoothBox™ 2 stores your tape, tack rag, razor blade, dirt pick tools, blow gun, touch up brushes and other items all within reach.

FEATURES INCLUDE:

- Available in two mounting options for easy mobility: magnetic or mounting hooks – both options allow for airflow passage in rear of cabinet thus reducing any over spray pocketing
- Sloped designed lid for unrestricted airflow
- Engineered with two enclosed compartments for over spray safe storage and organization of various tools and supplies
- Two spray gun hangers attached on its sides
- Two loose magnets included to hold razor blades, dirt pick tool, on its exterior
- Two tape hooks inside the cabinet to keep tape upright and safe from damage
- Soft-edge guard on gun hangers to eliminate damage to sprays/gun cups
- Durable 20-gauge steel construction with high gloss powder coated finish
