

> BOOTHBOX™ MINI

The BoothBox™ Mini is a magnetically mounted single compartment cabinet, equipped with two spray gun hangers. Specifically designed for the Automotive and Industrial Paint Industries.

Eliminate unnecessary trips in and out of the spray booth during the painting process by keeping your needed items close at hand and protected from overspray damage. The BoothBox™ Mini stores your tape, tack rag, razor blade, dirt pick tools, blow gun, touch up brushes and other items within reach.

FEATURES INCLUDE:

- ▶ Two mounting options: magnetic or mounting fasteners – both options allow for airflow passage in rear of cabinet thus reducing over spray pocketing
- ▶ Slope designed lid for unrestricted airflow
- ▶ Engineered with an enclosed compartment for over spray safe storage and organization of various tools and supplies
- ▶ Two spray gun hangers attached, these hangers can also hold the air hose, degreaser bottles or other tools
- ▶ One small magnet included to hold razor blades, dirt pick tool, etc...
- ▶ One tape hook included to attach on the inside of the cabinet to keep tape upright and safe from damage
- ▶ Soft-edge guard on gun hangers to eliminate damage to sprays/gun cups
- ▶ Durable 20-gauge steel construction with high gloss powder coated finish
- ▶ PLUS: Top of the cabinet can be used as a mixing shelf or paint holding area
