COMPLIANCE:

- Meets or exceeds NFPA 33 and OSHA 1910 requirements

ACCESSORIES:

- Control package / VFD
- Ductwork

NAMING CONVENTION:

TT – W – 044 – 036 – 024 – T – 1

TYPE

- Table Top

APPLICATION

- Wet or Powder

WIDTH (In)

- Working Width

HEIGHT (In)

- Working Height

DEPTH (In)

- Working Depth

MOTOR

- TIEFC or Explosion Proof

PHASE

- 1 or 3
